

Assignment review checklist

A final review for work that remains your own.

Purpose and structure

- ☐ I have answered the task that was set.
- ☐ My introduction states the focus and direction.
- ☐ Each paragraph has a clear purpose.
- ☐ My conclusion answers the central question without adding new evidence.

Evidence and argument

- ☐ I have supported key claims with appropriate evidence.
- ☐ I have explained how evidence connects to my argument.
- ☐ I have distinguished my analysis from source material.
- ☐ I have checked factual claims and quotations against their sources.

Referencing and presentation

- ☐ In-text citations and the reference list match.
- ☐ I have followed the required referencing style.
- ☐ Headings, tables and figures are labelled consistently.
- ☐ I have completed spelling, grammar and formatting checks.

Before submission

- ☐ I have checked the word count and submission instructions.
- ☐ I understand my institution's rules on external support and AI.
- ☐ I have removed comments and tracked changes where required.
- ☐ I have kept a backup of the submitted version.

Use this checklist as a planning aid and adapt it to your institution, provider or circumstances. CampusLync guidance does not replace university rules or qualified legal, financial or immigration advice.
